TRADING TABLE
Thank you to everyone who contributed to our trading table at the Camp Draft on the weekend.

It was a very successful, making over $800 for our Centre!

We had such a large amount of produce that the remaining items are at the Post Office if you would like to purchase them. Thank you to the post office for helping us out!

We also have 2 large pumpkins and some chocolate crackles at Kindy. If you are interested please come in and make a donation for them.

NEW UNIFORM
Our shirts are in Naracoorte, but are awaiting embroidery at Naracoorte Print.

I am very sorry for the delay. I have been assured we will have them by the end of this term.

Eliza Handbury on 0414861588 or eliza@handburygroup.com.au

BUS—Term 2
Please remember to notify Kara or Ro if your child’s bus use will be changing at all during the year.
The children have been busy little bunnies completing Easter craft and cooking activities. We integrated with the kindy children and had fun going on an Easter egg hunt.

Thank you to our reliable relief staff who make it fuss free and easy for staff to attend trainings and have days away as required.

The children and staff have planted the planter boxes with geraniums, kindly donated by Lester Key, Thank You! We have hung them on the fence between Kindy and Rural Care. We are looking at redeveloping our small garden in front of our building and we would like parent ideas and feedback.

We have been busy collecting a variety of leaves to use during our craft time. Steph and the children have constructed seasonal bottles and have been discussing what things they see during the different seasons.

The eat the rainbow focus will continue with the colour **YELLOW**.

Family Photos need to be returned ASAP. This project requires more support as it is a vital part of your child's development to recognise family members and make connections between their own and others families.

Holiday and Term 2 care requirement forms have been sent out so please return these by the due date.

Thanks
Casey and Steph
